

## Which Completion Option would be best for me: Thesis, Project, or Comprehensive Exam?

**Instruction:** Circle the answers that best describe yourself.

- |   |     |    |
|---|-----|----|
| ▪ I enjoy writing.  | Yes | No |
| ▪ I enjoy reading academic materials.                       | Yes | No |
| ▪ I enjoy working independently.                            | Yes | No |
| ▪ I have at least 2-3 years to complete my Master's degree. | Yes | No |

**Instruction:** Give 1 point to each question you answer 'Yes'.  
Combine the points and enter it in the Total Scores box  
before reading the suggestions below.

**Total  
Scores:**

- If your score is 4: You are a perfect candidate for a Thesis or Project. You will enjoy the time working on it. Go for it!
- If your score is 3: You may be suitable for the Thesis or Project option if you can work out the area that you answer 'No'. If you can and would like to do it, go for it!
- If your score is 2: You may find it a little difficult if you choose to do the Thesis or Project; but it is still possible if you really want to do it. Alternatively, a Comprehensive Exam may better suit you.
- If your score is 1: You may find it very difficult if you choose to do the Thesis or Project. A Comprehensive Exam may better suit you.
- If your score is 0: The Thesis or Project completion option may not be suitable for you. A Comprehensive Exam would be a better choice for you.
