

Graduate School and Program Search worksheet

Peterson's Web site features in-depth information about the institutions or academic programs that match your search criteria; such as, application procedures, admission requirements, filing periods, required fees and tests, scholarships, and even the information about where you can live, etc.

On the **Graduate School and Program Search** page, you can search for universities or academic programs of interests by specifying terms or phrases in different categories or criteria. For example:

- 1) In "Program Search," you can specify:
 - a. _____
 - b. _____
 - c. _____
- 2) In "Name Search," you can specify:
 - a. _____
- 3) In "Keyword Search," you can specify:
 - a. _____
